REMINDERS

Please don't let your dog run free. Many people are afraid of them and bad things can happen to loose dogs.

Maybe even worse than loose dogs, are old cars stored on driveways or the street. Neighbors really hate these. Get rid of them! Several organizations and salvage yards will pay hundreds of dollars for them.

Any change in the outward appearance of your home should be reviewed and approved by the Architectural Review Committee. The process only takes a few days.

Make arrangements to pay on a past due account and avoid hundreds of dollars in legal fees. **If you work with us, we will work with you.**
